

***Rumors can spread faster than a wildfire!***

**The Rumors Stop Here**

**Official Wildfire Information Stations (OWI Station)** were established by the Payson Ranger District in 2009 in order to provide reliable and trustworthy locations where you can get official, timely, dependable, straightforward, no-nonsense fire information that is free from rumor and hypothetical speculation.

### **OWI Station locations in Mogollon Rim country:**

- Outside on east-facing wall in northeast corner of **Native Grill and Wings Restaurant in Payson.**
- Inside west entrance on north-facing wall in **Safeway in Payson.**
- Inside east entrance on north-facing wall in **Basha's in Payson.**
- Outside in visitor parking lot located in vegetative island facing north at **Payson Ranger Station in Payson.**
- Upstairs outside on south-facing wall at **Christopher-Kohls Fire Department in Christopher Creek.**
- Outside on eastern edge of south-facing wall at **Uncle Tom's Kwik Stop in Pine.**
