NEW HOME & COMMERCIAL PERMITS

The Town shall calculate the building valuation data as required by any code adopted pursuant to this chapter by utilizing the most current building valuation data as determined from time to time, and published by the International Code Council.

New Home & Commercial Fee Calculation

- A) Calculate building value by using the appropriate area calculation for the type of occupancy as provided in the most current issue of the Building Standards magazine produced by the ICC.
- B) Determine the Building Permit fee using valuation table 3-A.
- C) See miscellaneous fee listed in tables 3-B through E.
- D) Plan Review fees are calculated by multiplying the Building Permit fee by 65%.
- E) Add: B + C + D above to calculate total building permit fee.
