

Gift for Parks & Recreation Program

The Plymouth Township Parks and Recreation Department is excited to introduce our Gift for Parks and Recreation Program. This program promotes a strong community involvement, enhances recreation programs through financial support and assists in preserving and improving recreation facilities and parks. We hope you will show your support through the many opportunities available.

Remembrance/Celebration Tree Program

It's easy to join this program. Local residents and organizations are invited to dedicate an ornamental or shade tree in honor of a special person or a special event. You may choose your tree from a list created for each park. The Remembrance/Celebration Tree Program is a combined effort by Plymouth Township Parks & Recreation Department and the Buildings and Grounds Department. In acknowledgement of all tree donations, the Township will install a small plaque.

Remembrance & Commemorative Benches

Remember a loved one or celebrate a joyous occasion with a park bench. Personalize a bench with an engraved plaque. 2x10 plaque, 4 lines with a approximately 50-55 characters (including spaces) per line.

Buy A Brick Campaign

Flight of the Butterfly

What a great way to show your support and leave a permanent impression at Harriet Wetherill Park. Bricks are 4 x 8 and hold 3 lines of a maximum of 15 characters (including spaces).

****Plymouth Township reserves the right to approve wording that approves wording that will appear on plaques.**

Park Partners

The Park Partners program encourages public and private groups to assist with various improvements to municipal parks. The program is designed as the *adopt-a-park* component of the Gifts For Parks & Recreation program that promotes longer-term volunteer support at a selected park. The PTPR staff and interested groups (businesses, families, churches, and community groups) can select an entire site, or a designated section or feature of a larger site, and will work together to create a reasonable work plan and timeline to insure a successful experience. An agreement is then completed with regard to program participation. The Park Partners will work with PTPR staff to help keep their park site clean, safe, and attractive.

For more specific details please contact Susan Vacchiano 610-313-8683 or svacchiano@plymouthtownship.org. or visit our website at www.plymouthcommunitycenter.org. Placements will be determined on a first come, first served basis at the time of purchase and all donations are tax deductible.

We create community through people, parks and programs.
