

Back Door Pick Up Policies

- Parents will be able to pick up their children from the back door closest to the room; however there are certain restrictions to this policy.
 - This will only be available from 5:30 PM to 6:00 PM
 - You may either come in and pick your child up (but will have to sign them out with the person who is outside with the sign out sheet) or just pull up and sign your child out from your car.
 - Other activities such as signing your children up for classes, taking them to swim programs, or other various things should **not** be done with the back door pick up program.
- Please keep in mind traffic is only one way in the area next to the community center as illustrated in the diagram below, so after picking up your child please pull your car forward around the parking lot as to pass the playground and continue out that way. Please do not turn around and exit in this fashion.
