

2012-2013 Preschool Jump Start Program

“Jump Start” reflects that a child learns best by doing! Our programs, conducted within this casual yet nurturing environment, provide many opportunities for each child to see the wonders of learning while their curiosity and interests are challenged and motivated. Physical, social and cognitive skills are all emphasized, and both free play and structured time are balanced in a comfortable and relaxed atmosphere. We will teach “jump start” and “junior jump start” in an environment mindfully designed to foster each child’s social, emotional, physical, and educational growth. **School Calendar:** We follow the Colonial School District Calendar, and will not meet on days when CSD is operating on a delay or closed due to bad weather. **Registration:** You are able to register for one or two days per week.
