

**New Day in Newtown**  
**Small Group Activity #1 - "Sorting of the Action Items"**

| Category        | Solution/Idea  | Implemented by: |          |         | PRIORITY<br>L, M, H |
|-----------------|--|-----------------|----------|---------|---------------------|
|                 |  | Inside          | Together | Outside |                     |
| Law Enforcement | Ability to contact SPD via cell phone; not just 911  |                 | x        |         | M                   |
|                 | Ability to make anonymous reports to the police  |                 | x        |         | H                   |
|                 | Better trained officers who are more sensitive to the area and its concerns--<br>Improve relationship with residents |                 |          | x       | M                   |
|                 | Call-in complaints--Help be the eyes/ears of the community   | x               |          |         | H                   |
|                 | Community policing   |                 | x        |         | H                   |
|                 | Create law enforcement mentorship opportunities  |                 | x        |         | M                   |
|                 | Curfews for youth  |                 | x        |         | M                   |
|                 | More foot/bike patrols for all Newtown streets--Greater visibility   |                 |          | x       | H                   |
|                 | More police substations  |                 |          | x       | L                   |
|                 | More streetlights for safety   |                 |          | x       | H                   |
|                 | Neighborhood watch/neighborhood safety volunteers  |                 | x        |         | H                   |
|                 | Ongoing narcotics enforcement  |                 | x        |         | H                   |
|                 | Policing neighborhood; not turning our heads when we see things (wrong) going on                                     | x               |          |         | H                   |
|                 | Promote ride-alongs with SPD (or "walk-alongs"), encourage youth participation                                       | x               |          |         | M                   |
|                 | Publicize crime/data statistics and map incidents  |                 |          | x       | M                   |
|                 | SPD should utilize more minorities/North Sarasota residents for North District patrols                               |                 | x        |         | M                   |
|                 | Use surveillance cameras as deterrents   |                 | x        |         | H                   |
