**Final Site Plan Application**

---

---

This application is for a site plan submittal for a new building, addition, parking lot or cell tower work in the City of Sharonville. **This application must be filled out, all information submitted and fee paid at the time of the application in order to appear on the Planning Commission docket.**

Project Name: \_\_\_\_\_

Street Address (or other description if no address is available): \_\_\_\_\_

Size of property where work is to take place: \_\_\_\_\_

Scope of proposed work: \_\_\_\_\_

**Chapter 1157 - Submit 15 copies of site plan showing the following items:**

Each final site plan submitted shall contain the following information, unless specifically waived by the Planning Commission, in whole or in part:

- (a) The date, north arrow and scale. The scale shall be not more than one inch equals 100 feet although supplementary site plans at a one foot equals fifty feet or larger scale are encouraged;
- (b) The name and firm address of the professional individual responsible for the preparation of the site plan, including imprint of his professional seal;
- (c) The name and address of the property owner or petitioner, and proof of ownership or option to purchase;
- (d) A locational sketch drawn to scale;
- (e) Legal and common or popular description of the subject property;
- (f) The size in acres and square feet of the subject property;
- (g) All lot and/or property lines are to be shown with bearings and dimensions, including building setback lines on corner lots;
- (h) The location of all existing structures within 100 feet of the subject property's boundary;
- (i) The location and dimensions of all existing and proposed structures on the subject property;
- (j) The location and dimensions of all existing and proposed drives, sidewalks, curb openings, signs, exterior lighting, curbing, parking areas including total number of parking spaces showing dimensions of a typical parking space, unloading areas, recreation areas, common use areas and areas to be conveyed for public use and purpose;
- (k) The location, pavement width and right of way width of all abutting roads, streets, alleys or easements. Land shall be reserved and shown on the site plan for any major streets proposed on the Official Thoroughfare Plan that would go through any part of the site;
- (l) The existing zoning of all properties abutting the subject property;
- (m) The location of all existing and proposed landscaping and vegetation and the locations, heights and type of existing and proposed fences and walls;
- (n) Size and location of existing and proposed hydrants and utilities including proposed connections to public sewer or water supply system;
- (o) The location and size of all subsurface and surface water drainage facilities, existing and proposed and any established floodplain areas, bodies of water or other unbuildable areas if present on the site;
- (p) For all site plans, contour intervals shall be shown at five foot intervals; and
- (q) Summary schedules and views should be affixed as applicable in residential developments, which give the following data:
  - (1) The net residential site expressed in acres and in square feet, including breakdowns of both measured for any sub-areas or staging areas;
  - (2) The number of dwelling units proposed, by type, including typical floor plans for each type of dwelling unit;
  - (3) The number of location, by code if necessary, of efficiency and one or more bedroom units;
  - (4) Typical elevation view of the front, side and rear of each type of building; and
  - (5) Proposed density of the new residential site.

Submit four (4) sets of stormwater calculations

**Failure to submit plans with all required information may result in delays in reviewing the application and submitting to Planning Commission for their approval.**
