Things to Know About AOR 12

There are approximately 205 homes, and no businesses in AOR 11 (see the map on the back). This Area is located in the Western portion of Shenandoah and experiences relatively little crime throughout the year.

Due to its close proximity to Houston, property crimes have become a problem in recent years. Very few incidents have been reported in AOR 11 however; it is better to be safe than sorry. Please secure your vehicles and remove all valuables from view of the public.

Contact me if you would like more information about our AOR.
