

Plan Commission Meeting Minutes
Date January 19, 2012

A Plan Commissioner inquired about the status of the discussion between commissioners that took place at the September 15, 2011 meeting concerning a request for a procedure change to abridge the reading of the full staff report at meetings.

Corporation Counsel stated that no progress has been made. The Plan Commissioner stated that he would hope that with the beginning of a new year, a change could be made soon. At a future Zoning Review meeting, the issue will be discussed.
