

Village of Skokie

Special Event Permit Policy and Instructions

Thank you for your interest in holding a special event in the Village of Skokie. Enclosed are the materials needed to obtain a Special Event Permit for your upcoming event. Please follow the application directions very carefully and be sure to sign the application on the bottom of page five.

NOTE: Your event must have final approval of the Special Events Coordinator, the Village Manager's Office and in some cases, the Village Board. The Special Events Coordinator will assist you throughout the Special Event Permit process and will be your primary contact. You will be notified by the Special Events Coordinator if your event requires additional permits. Any questions regarding your Special Events Permit or application should be directed to the Special Events Coordinator by calling 847/933-8219.

Minimum requirements/criteria

The following criteria will be used to determine if the event is considered a Special Event:

- All outdoor events requested on Village property, i.e. street, sidewalk, park, etc. and/or deemed to significantly impact the Village are considered Special Events.
- Any parade, public assembly or similar activity on any street or area of the Village where the number of participants and/or spectators is expected to exceed 50 will require Special Event permitting.
- All festivals, amusements, fairs, carnivals and circuses, including those on private property, require Special Event permitting.

The applicant shall comply with all applicable Village ordinances, codes, conditions and requirements.

Requirements and Conditions

- **Food and beverage service.** No food or beverages shall be sold or given away at an outdoor event unless approved by the Village's Health Department.
 - **Liquor license.** The State of Illinois does require applicants to obtain a Special Event Retailer's License (not-for-profit) if alcohol will be served at an event. In addition, the Village assesses a cost of \$40 for one or two days, \$60 for three days and \$80 for four days for a temporary liquor license. All Liquor License applications and licensing are handled through the Liquor Commissioner/Mayor's Office. Please contact 847/933-8269 for details.
- **Raffles, tents and amplifiers.** Specific applications must be fulfilled for any raffle, tent, amplifier or coin-operated device. These applications may be found within the Special Events Permit Application (*attached*).
- **Electrical Power.** All applicants should provide their own source of power for their specific needs; the Village generally will not provide electrical services of any sort.
- **Miscellaneous.**
 - Street closures must be approved by the Special Events Coordinator.
 - The Village of Skokie is not responsible for any accidents or damages to persons or property resulting from the issuance of a Special Event Permit.
 - The Special Event Permit is non-transferable and can only be used on the designated dates and times as printed and is required to be posted on site during the event.
 - The Village of Skokie reserves the right to suspend, cancel and/or reschedule events.

Application Process

- **Due date.** *All applications for special events must be submitted not more than 90 days and not less than 21 days before the date for which the parade, public assembly or similar activity is proposed.* Applications for permits shall be made to the Village Manager’s Office, ATTN: Special Events Coordinator.
- **Filing of application.** An application will not be considered filed until all required information is submitted as set forth in the application. In order for the application to be reviewed by the Special Events Coordinator, it must contain any and all information and requested materials listed on the application checklist (*page three*).
 - **Required additional documents:**
 - **Certificate of insurance.** The Village of Skokie requires a Certificate of Insurance naming the Village as an additional insured in the amount of \$1,000,000 unless a greater amount is warranted.
 - **Security Bond/Safety Deposit.** A security bond or safety deposit *may* be required, depending on the size and nature of the event. You will be informed by the Special Events Coordinator if such materials are required.

Permit Fees

There is no fee to apply for a special event, unless the special event is a carnival, circus, fair or amusement. Some events may require permit fees. Permit fees cannot be waived and no Special Event Permit will be issued until the permit fees have been paid. These fees are as follows:

<u>ITEM</u>	<u>FEE</u>
Amplifier Permit.....	\$5 per amplifier per day
Food Permit.....	No fee charged
Liquor License.....	\$40 one or two days \$60 three days \$80 four days
Raffle Permit.....	\$20
Tent Permit.....	\$50 per tent
Carnivals, circuses, fairs and other amusements.....	\$75 processing fee (plus the cost of any inspections)

Cost for Village Services

- **Compensation for Village staffing and services.** Depending on attendance, the Village may require Village personnel including Police, Fire or Public Works at the function. Additionally, there may be a need for street sweeping services, road blockades, etc. All Village personnel and services involved in advance of, during and after, the day(s) of the event may be charged back to the sponsoring agency.
 - Prior to the issuance of any permit, the Village shall determine the number of personnel and services necessary to ensure the safety of the participants and the general public.
 - Such estimated costs shall be specifically set out in writing and ***must be paid to the Village prior to the issuance*** of a Special Event Permit. If actual costs are greater than the estimate, the sponsoring agency will be billed after the completion of the event. If costs are less than the estimated amount, the sponsoring agency will be refunded.

SKOKIE HEALTH DEPARTMENT REQUIREMENTS FOR TEMPORARY FOOD HANDLING

1. All workers are to be free from illness (i.e. colds, diarrhea, boils and infected wounds).
2. Hands must be washed before handling food and without fail after using washroom, smoking, eating, touching something other than food or between handling different types of food.
3. All food preparation areas are to be provided with hand washing facilities, including dispensed soap and paper towels (i.e. portable camp sinks or a water holding device with spigot).
4. All potentially hazardous foods (e.g. meats, dairy products, poultry, fish, etc.) must be handled carefully and kept at 41° and below or at 140° and above. Potentially hazardous foods that are precooked must be reheated to a temperature of 165°.
5. All food products must be obtained from an approved source and all food preparation must be done on site. Food products prepared at private homes are not approved.
6. All food preparation areas must be provided with a three step washing station for washing utensils on site.
7. The proper procedure is soapy wash water, clear rinse water, sanitizing rinse water 50 to 200-ppm bleach, and air dry. Provide separate sanitizing bucket for storage of wiping cloths.
8. Food product on display must be stored protected (e.g. covered or wrapped). Condiments must be served prepackaged or with squeeze or pump bottles.
9. All workers must wear aprons and hair restraints.
10. No smoking is allowed in food preparation and food service areas.
11. Crock pot units are not allowed for heating food products but may be used to hold foods hot. All foods must be heated to proper temperature of 145°, hamburger/ground meat and pork to 155°, poultry to 165°) then held at 140°.
12. All food preparation (or prepared foods) must be done in small quantities so as to maintain product temperature. All food products must be stored off the ground 6 inches.
13. All operators must provide a metal stem probe type thermometer for monitoring food product temperature.
14. If ice water is used to cool canned soda, one of the following practices must be followed:
 - Maintain a 50-ppm concentration of bleach solution in ice water.
 - The container must be drained to prevent water from becoming stagnant. This can be done by a hose attached to a bottom spigot or a double panned drainage system (perforated top pan drains into non-perforated bottom pan).
 - Provide scoops (dispensing utensils) for handling food products (e.g. ice, popcorn, pizza, etc.). Plastic gloves may be used but must be changed whenever handling non-food items.
15. Utilize single service items (forks, spoons, napkins etc...) only for customers.
16. All water supplies must be properly protected to prevent back siphonage into the potable water supply. Food grade hose must be utilized to supply water.
17. All wastewater must drain to an approved sewage disposal system. Directing discharge onto the ground is unapproved.
18. Provide a sufficient number of lined garbage containers for disposal of all refuse.

Additional requirements may be needed depending on the food product being prepared and served. For more information please call the Skokie Health Department at 847/933-8484.
