For Immediate Release

Village of Skokie Fall 2009 Yard Waste and Leaf Collection Information

The Village's 2009 regular yard waste collection program ended today. Residents who still have yard waste will not need to contact Public Works to schedule a collection. Village crews will collect properly prepared yard waste from the entire town on Wednesday, October 28. Materials must be bundled or placed in paper yard waste bags and set in the curb or alley, in the same place that garbage is set out. Grass clippings will not be collected. The Village of Skokie will make additional yard waste collections during the fall season, weather permitting, through December 2. The curbside leaf collection program also continues through early December, weather permitting.

For additional information contact Public Works at 847/933-8427.
