Medicare Part D – Open Enrollment Begins November 15, 2009

Medicare Part D open enrollment begins on November 15, 2009. If you are unsure about the plan you are currently enrolled in, now is the time to review and make a change if needed. Sometimes plans drop previously covered medications from their formularies, leaving the beneficiary without coverage for that medication. It is important to review your Part D coverage each year for such changes.

A Social Worker or SHIP (Senior Health Insurance Program) volunteer is available to provide assistance in reviewing the options. The deadline to make changes is December 31, 2009. Please contact the Human Services Division for personal assistance or to make an appointment.

The Human Services Division can be contacted at 847/933-8208.
