Village of Skokie Receives Award from United Way

The Village of Skokie staff raised over \$30,000 during the 2009 United Way campaign, achieving once again the honor of being the top-giving municipality. The Village of Skokie has won the Top Campaign Award for Municipalities for the past five years.

This is a donation increase of 7% over the 2008 campaign, which is quite an accomplishment in light of the tough economic times. Over 230 Village employees participated in giving to United Way 2009 campaign. About \$1,500 was raised from special events conducted by Village employees, for Village employees.

All proceeds go to Northwest Suburban United Way. Please visit the United Way website for more information www.uw-mc.org/northwest.
