CONSTRUCTION ACTIVITY NOTICE: Lane Closure for Roadway Repair on Golf Road at Lawler Avenue

Beginning on Thursday, August 18, 2011, the Skokie Public Works Department will be repairing a roadway patch from a water main break on Golf Road at Lawler Avenue. This repair will be done in stages and will require lane closures. The first stage is replacement of the concrete road base and is expected to take up to six days until all traffic lanes are re-opened. The second stage, which will be done at a later date, is the asphalt surface and will require additional lane closures.

East-bound traffic lanes on Golf Road will be merged into one lane at Lawler Avenue and North-bound traffic on Lawler Avenue will be prohibited from making left hand turns onto Golf Road. West-bound traffic lanes on Golf Road will not be affected. During this time, motorists are advised to use either Old Orchard Road or Church Street as an alternate route.

For more information, please contact the Public Works Department at 847/933-8427.
