

Village of Skokie

October 20, 2011

For Immediate Release **Public Information Division**

The Updated Skokie TeenLink Program List is Available

The Village of Skokie TeenLink program list is updated for the 2011-2012 season and is available to all Skokie residents.

The TeenLink program is intended to unite Skokie residents who are in need of outside seasonal yard work, including snow shoveling, raking and lawn care, with Skokie teens that are available for hire to do the work.

The updated TeenLink list provides contact information for Skokie teens available to do seasonal yard work. The updated list includes the name and address of the teen, days available, type of work they are willing to do and their expected rate of pay. Residents can receive the list by mail, fax or email.

The resident is responsible for contacting the teen and for making financial and scheduling arrangements.

If you would like the updated TeenLink contact list please contact the Village Manager's Office at 847/933-8257. Skokie teens can also complete an application to be added to the TeenLink program by contacting the Village Manager's Office or visiting www.skokie.org to download an application.
