For Immediate Release **Public Information Division**

October 17, 2011 Skokie Village Board Meeting Moved to Skokie Public Library

The October 17, 2011 Village of Skokie Board meeting has been **moved** to the Petty Auditorium in the Skokie Public Library, 5215 Oakton Street. The meeting will begin at 8 p.m. The agenda for the meeting will be posted on the Village's website, www.skokie.org, on the afternoon of Thursday, October 13.

At the October 17 Village Board meeting, Village staff and project consultants will provide an overview of the results of the recent Oakton Street "Road Diet" test. The "Road Diet" test took place from early May to late June, 2011, to test traffic patterns and other details associated with changing Oakton Street in Downtown Skokie to a two-lane thoroughfare with a center turn lane to calm traffic, provide room for wider sidewalks and other amenities to create a more vibrant, walkable Downtown area. After the presentation, residents and business representatives are invited to ask questions and express their views on the proposed project. For more information on the Oakton Street "Road Diet" test project, visit www.skokie.org.
