Village of Skokie Yard Waste Collection Ends

Regularly scheduled yard waste collection for the 2011 season concludes after the November 9, 2011 collection. To schedule a collection of brush or other yard debris for the November 9 final collection requests must be received by noon on Monday, November 7. To request yard waste pickup visit www.skokie.org or call 847/933-3333.

The Village's annual leaf collection program continues through early December, weather permitting. Instead of bagging, or for those who do not mulch leaves, residents may rake leaves into the street next to the curb in front of their home. As weather permits, Village crews make rounds throughout Skokie collecting the leaves on a weekly basis.

Please follow these tips to insure collection:

Rake leaves away from parked cars and do not park on leaf piles; Be mindful of fire hydrants and keep them visible; Wetting leaves while piled prevents them from blowing away; Do not rake leaves onto or in sewer drains; Please do not add grass piles, twigs, branches or other garden debris to leaf piles as these items can damage equipment and prevent leaf collection.

For more information on leaf collection contact the Public Works Department at 847/933-8427.
