

REQUEST FOR EMERGENCY CONTACT INFORMATION

TOWN OF SOMERS

Office of Emergency Management

The Town of Somers has installed new equipment that will enable the town to contact people directly through telephone or email when emergencies arise that would threaten those people. This notification can be directed to a particular part of town or the entire town. In order to be contacted, we have to have accurate contact information in the system. The information will be held in a secure and restricted server for use by emergency management professionals of the Town of Somers. Once the information is completed please mail or drop off the flyer to the fire house, addressed to the Deputy Chief, Somers Fire Department, 400 Main Street, Somers, CT 06071. This form and additional information are available on the town website, SomersNow.com. Please make sure to update your contact data whenever there are changes.
