II. OLD BUSINESS

1. *Application #670 Town of Somers. Replace culvert on Billings Road across from Sunshine Farms*
Wetland Agent David Askew reviewed the application specifics by introducing it as essentially a culvert replacement. He stated that the elevation must be kept at the current height to prevent flooding or dewatering on the north side of the road. The project will be coordinated by the Town Engineer Jeff Bord and constructed by the Public Works Department.. Members had no additional questions. Member Dan Fraro made a motion, seconded by Greg Genlot, to approve the application with no conditions..

All in favor, motion carries

III NEW BUSINESS

1. *Application #671 Juliano's Pools; In-ground pool within upland review area. 19 Franklin Woods Drive*

W.A. David Askew reviewed the project. The wetland is approximately 35 feet from the pool. Silt fence will be used to demarcate the construction limits and prevent sediment movement.. Member Greg Genlot had questions about the dimensions of the patio and the sideyard setback. David Askew offered to verify those dimensions and coordinate with the zoning officer.
