

**AN ORDINANCE ESTABLISHING FEES  
FOR PERMITS FROM THE  
BUILDING OFFICIAL AND FIRE MARSHAL**

**1. Purpose**

**The purpose of this Article is to establish a schedule of fees for permits issued by the Building Official and Fire Marshal as permitted by the Connecticut General Statutes.**

**2. Establishment of Fees**

- a. Each applicant for a building, construction, demolition, alteration or other permit issued by the Office of the Building Official shall pay a fee as set forth in the attached Schedule of Fees.**
- b. Each applicant for any permit issued or, required to be issued, by the Office of the Local Fire Marshal shall pay a fee as set forth in the attached Schedule of Fees.**
- c. All fees shall be paid in full prior to the issuance of any permit.**
- d. The Town of Somers, or events sponsored by the Town, the Somers Board of Education, the Somers Public Library, or the Somers Fire Department or Ambulance Corp. shall be exempt from the payment of fees set forth in the attached Schedule of Fees, with the exception of state required education fees.**
- e. The attached fee schedule may be amended from time to time upon vote of the Board of Selectman and shall be based upon recommendations by the Building Official or Fire Marshal. Notice of a proposal to amend existing fees will be published at least five days prior to the date of the meeting at which the Selectmen will consider the proposal. An amended fee schedule shall become effective thirty days following the date of adoption by the Board of Selectmen.**

**3. Effective Date**

**This ordinance shall become effective fifteen days following the date of publication of a notice of adoption. The initial fee schedule included within the ordinance shall be in effect at the time the ordinance becomes effective.**

SCHEDULE OF FEES  
(Effective, 8/10/2009)

BUILDING OFFICIAL

- (a) *Generally.* The building permit and trade permit fees shall be \$12.00 per thousand, or fraction thereof, of the cost of the construction.
- (b) *Certificate of occupancy.* The certificate of occupancy fee shall be \$10.00.
- (c) *Cost of project.* Building and trade permit fees shall be based upon the cost of construction and the materials to be supplied in conjunction with the project described in the permit. The owner or contractor shall supply the Building Official with an estimate of the total job covered under the permit. All trade permits shall have individual costs and fees.
- (d) *Accepted value.* The cost of materials and labor of a project accepted by the building official shall, in no case, be less than the guidelines offered for Connecticut in the latest building valuation data report published by ICC [International Code Council].
- (e) *Affidavit.* An affidavit under oath under penalties of false statement of actual final cost for all new structures and major additions may be required at the discretion of the Building Official. This affidavit shall be signed by the owner, agent or contractor for the project prior to the issuance of a certificate of occupancy and the fee shall then be appropriately adjusted. Affidavits for other construction permit costs may be required by the Building Official.
- (f) *Moving of buildings.* The permit fee for moving a building shall be \$12.00 per thousand, or fraction thereof, of the estimated cost of the move. Any additional costs, such as traffic control or newspaper advertising, shall be paid by the applicant in addition to the permit fee.
- (g) *Demolition.* The permit fee for the demolition of buildings shall be \$12.00 per thousand, or fraction thereof, of the estimated cost of the demolition. Letters of disconnect from any applicable utility shall be submitted to the building official prior to the issuance of the demolition permit.
- (h) *Signs.* The permit fee for signs shall be \$12.00 per thousand, or fraction thereof, of the estimated cost of the sign and its installation.
- (i) *State Education Fee.* The construction and alteration fees include the state education fee established by C.G.S. 29-252a(b)(2) as amended.
