

Pantuosco's Soccer Camp CT

Soccer Education Since 1979

August 15-19, from 9:00am – 2:30 pm at Field Road in Somers CT

Pantuosco's Soccer Camp will be entering its 33rd year this coming summer. Since 1979 PSC has educated and delighted over 20,000 campers. We feel that soccer camp should be a positive experience. We attempt to instill self confidence and soccer skills through a purely enjoyable, educational and recreational atmosphere.

The staff at PSC consists of experienced high school coaches along with current college and high school stars. "The PSC staff members are former campers and know how to share their experiences with our campers."
