Summer in Sycamore Township is always an exciting and fun filled time of the year. Enjoy the benefits of living in Sycamore Township - if the economy has you cutting back. We hope you were able to enjoy one of the recent Twilight Concert performances – ‘AJA’, ‘Blue Stone Ivory’ or the ‘Jump ‘n’ Jive Show Band’. The last Twilight Concert performance will be held on Sunday, September 20, from 6 PM to 8 PM – with the musical group, ‘After Midnight’, at the North Sycamore Recreational Facility, 11797 Solzman Road.

SUMMER SAFETY

Summer outdoor activities include grilling and using an outdoor approved recreational fire pit. Every year the fire department receives numerous inquiries about the use of both of these outdoor appliances.

The safest formula for grilling is to keep your grill at least 10-15 feet away from your home or at the farthest end of your patio. Most grill fires occur when the grill flares up in close proximity to the residence and nearby combustible materials catch on fire.

Another safety tip is to make sure all connections on your gas grill are tight so that propane gas doesn't leak from around your connections. If

you do smell gas, and you can't find the leak, the safest way to find it is to mix a little dish soap and water and apply around all the connections. If a bubble appears you have found your leak. Make sure the gas is off, tighten the connection, then turn the gas back on and check it again.

Other concerns are about outdoor fires. The Ohio Fire Code prohibits any open burning. Section 1307-7-7-03-307(g) strictly states no open burning. The use of a properly approved fire pit will provide a safe, warming fire for outdoor summer recreation. Do not burn yard waste or trash in your approved vessel.

The form below is a special needs notice for the EMS & Fire Department for those Township residents who need special consideration. In order to serve special need situations we have created this form. There is a copy of it on the Township web page. You can fill it out and mail it to the fire department or fax it to us at 792-8564. We will then make note of your request for our dispatch center. All requests are held in confidence. Information is delivered to responding units through our Computer Aided Dispatch Mobile Data Computer (MDC) which will notify responding crews of specific information. Please help us to help you by completing this form so we can serve you better.

Have a great summer and be safe,

THREE NATIONAL ACTS HEADLINE THE FESTIVAL IN SYCAMORE

We're very pleased to announce that three great national artists will appear at the 17th annual Festival in Sycamore, to be held July 17 and 18 at Bechtold Park, 4312 Sycamore Rd. The event will run from 6:00 P.M. - Midnight each day. The Festival will also feature great food, games, and fun. This year will again feature the popular Ride for Five, which means that for \$5 each day, an individual can get a bracelet which will allow your child to ride the rides all day.

The 'JuJuBees Rhythm Revue' will open the festivities on Friday, July 17. Back for their third time, this Columbus based group promises to put on an electrifying show. Then, million record selling band 'ORLEANS' will take the stage. With hits such as Still the One and Love Takes Time, 'ORLEANS' has performed live for millions of fans and sold millions of records. Following 'ORLEANS', back by popular demand, 'AMBROSIA' will take the stage. 'AMBROSIA' is the first national act to appear 2 straight years at the Festival. The crowd's reaction was so positive last year, and so many calls and e-mails about them were received, that we decided to bring them back. With hits including How Much I Feel, Nice Nice Very Nice, and Holdin' On To Yesterday among the many they have had, Grammy nominated 'AMBROSIA' will deliver a fantastic performance.

Saturday, July 18's fun begins with 'G Miles and the Hitmen'. This great Cincinnati group is well known and respected in the local blues and rock scene. Next to appear will be a fabulous young guitarist and singer, 'Natalie Wells'. Natalie and her band are also well known and very popular in the Greater Cincinnati area. Last but certainly not least, the Festival will feature a performance by Grammy nominated, legendary blues/rock guitar player 'ELVIN BISHOP' and his band. With hits such as Fooled Around and Fell In Love, Travelin' Shoes, and Sure Feels Good, this legend promises a fabulous performance.
