Dear Zoning Board Members,

GEARY RANDALL  
Pastor of Worship

Kenwood Baptist Church has the honor, once again, to be able to bring a world renowned author and speaker to our church. N.T. Wright, currently teaching at St. Andrews Divinity School in Scotland, will be our guest from 4/23-4/25/2017. He has been referred to as the successor to C.S. Lewis and is the author of numerous scholarly books as well as more popular books for laymen.

LYDIA DAVIS  
Director of Young  
Adult Ministries

Kenwood is asking for not only this variance but a permanent variance for this signage. We bring in these types of speakers once or twice a year and would like to be able to hang a banner for 30 days before the events and would remove the banner the day after the event. We understand that we would have to apply for a permit and pay the fee each time. We would not do this more than twice in a calendar year.

FRED ANDERSON  
Pastor of  
Student Ministries

Bringing these speakers to Kenwood Baptist Church and Sycamore Township represents a significant investment of time and money on our part. We are excited to be able to offer these opportunities to the community and believe all who attend will benefit. The signage/banner allows us to more effectively communicate to the public. We do not charge for these events although free-will offerings have been taken up.

SARA OCONNOR  
Pastor of Children  
and Family Ministries

Our request is for the same size banner as approved in 2015, 10'x18' public event banner which would be attached to the building 30 days before the event. The set back is approximately 185' from Kenwood Rd. Because of this distance, the compliant signage of 24 square feet (chapter 13-10.1) would not be visible. Please see the attachments for a vision of what it would look like. The banner will, of course, be tasteful and professionally designed and produced.

Pastor Emeritus

Please note that the façade of the building is illuminated at night and part or all of the banner will be also. Kenwood Baptist Church fronts on Kenwood road with the north boundary at Kugler Mill.
