Warrington Township TV Bulletin Regulations:

1. Warrington Township TV Stations, Verizon Channel 42 and Comcast Channel 22 will provide community based information and activities involving the following departments: local government and related information, Parks & Recreation, Department of Fire, Inspections and Emergency Services, and Public Works.
2. The intent of content will not permit advertising nor promote for profit businesses or organizations, personal use, nor political stances. The focus of the Township stations is to inform the community; promoting its awareness and safety for residents.
3. A dedicated person in the Township office will pre-approve information to be posted.
4. All applicants must complete the application form found on our website or at the Township Building.
5. Information should be submitted no less than 14 business days in advance for requested posting.
