Re: Eureka Quarry Property, Warrington Township, Bucks County, PA

Dear Chairman Paul,

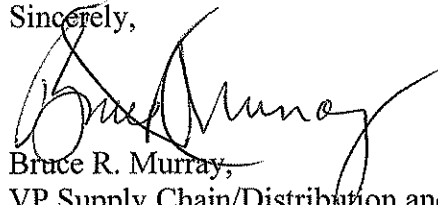

I am writing to you with some news on Teva's distribution project.

After careful consideration of a variety of factors, Teva has decided to move forward with the investigation of an alternate property for its proposed distribution center facility. This alternate property is located on Red Lion Road in the City of Philadelphia. If Teva's investigation of this alternate property confirms its viability for use as our proposed distribution center facility, then Teva intends to withdraw its pending plans for development of a distribution center facility at the Eureka Quarry property and move forward with the development of the proposed distribution center facility on Red Lion Road. We anticipate having the results of our due diligence investigations completed within the next 2 to 3 months and, therefore, we expect to be back in touch with the Township before the end of this year as to a final decision on the subject. Therefore, we request that the Township place Teva's application "on-hold" through December 31, 2010. If Teva elects to move forward with the Red Lion Road property, then we will formally "close out" our applications with the Township.

If you should have any further questions concerning Teva's recent position on this subject, please feel free to call me. Otherwise, I will be back in touch with the Township with a final decision on the selected site for Teva's proposed distribution facility before the end of the year.

Thanks again for your time on this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Bruce R. Murray". The signature is fluid and cursive, with a large initial "B" and "M".

Bruce R. Murray,
VP Supply Chain/Distribution and Logistics
