Pursuant to the application for a water connection permit, this permit is issued to the undersigned homeowner or registered Master Plumber, as agent for the owner, for connection of the building water (house service) with the public water system.

This permit is issued in accordance with the Ordinances and Resolutions and Rules and Regulations of Warrington Township and of the Warrington Township Water & Sewer Department respectively, relating to the water system constructed in the Township by Warrington Township Water & Sewer Department.

I agree to notify the W.T.W.S.D. Inspector at 215-343-1800, at least five (5) working days in advance, when the building water service is ready for inspection and connection to the public water, but before any portion of the work is covered. I further agree that I shall not permit any cross connections to be connected to the public water system from the current well water system of the above described premises. If the well on the above described property is to be abandoned, it must be abandoned in accordance with Section 301.8 of the Warrington Township Well Ordinance # 02-0-14.
