Old Business:

- None

New Business:

- The new rates for the department went into effect on August 3.
- The British Soccer Camp went very well. We had roughly 110 campers. WLOS also featured it in the "Never Stop Learning" segment.
- The summer softball league has already started.
- We will offer a new flag football league beginning in early September. The games will take place late Saturday afternoon.
- We had to order a new chemical control computer for the large pool. We are also having to repair the computer for the small pool. The life expectancy for the computer is about 10 years. Our facility is 10 years old.
- We will need new coils for the Dectron unit in the near future. The Dectron serves as a dehumidifier for the aquatics area. It's primary purpose is to keep the air and water temperature within 2 degrees of each other.
- We have one week remaining for our summer camp. The counselors have done a terrific job.
- We will begin a new racquetball program with youth as well as a weight lifting program.
- The new website is complete and is now live on the internet.
- There is a work day scheduled for the Skate Park on August 22.
- The meeting is confirmed by the State that the PARTF board will meet on August 21.
- We have a skate park fundraising meeting scheduled on September 15 at 5:30 pm.
- Region 9 (our parks and recreation district) will sponsor a golf tournament on August 19 in Cherokee. All proceeds will benefit the region.

There being no further business, the meeting was adjourned at 6:20 pm.

Respectfully Submitted,
Rhett Langston
