Old Business:

- None

New Business:

- The monthly report from April and May were reviewed.
- The "Spring Fling" event that was sponsored by the Waynesville Kiwanis went very well. The event was held in the gym due to potential bad weather.
- The skatepark project is going well. Artisan, from Kittyhawk, NC, is the subcontractor and will be constructing the actual skatepark. Currently, they are about a week behind due to rain. The park is scheduled to open late this summer.
- The bids from the prospective contracting companies for the Recreation Park Restroom Pavilion will be due on June 18. We hope to begin construction soon afterwards.
- The Howell Mill Road project is still tentatively scheduled to bid out June 18 and possibly begin work in August.
- We did not receive the PARTF funding for the tennis courts. The PARTF board will meet again on June 19. Also, we did not receive funding from the Waynesville Kiwanis grant.
- We are supposed to be getting a new website for the TOW this fall.
- The July program guide is scheduled to come out Friday, June 14.

There being no further business, the meeting was adjourned at 6:20 pm.

Respectfully Submitted,
Rhett Langston
