

2011 Nature Basket

West Chester Parks & Recreation announces the 2011 Nature Basket schedule. Nature Basket programs are suited for pre-school children (ages 3-5) and their adult companions. All programs will include a story, a talk about seasonal nature and a craft. Adult help with the craft is required.

Please register by calling 759-7312 or emailing lgroff@westchesteroh.org, so supplies can be prepared.
