

WINTER HAVEN

The Chain of Lakes City

Office of the Mayor

January 9, 2012

Winter Haven High School
Gina Williams, Principal
600 Sixth Street SE
Winter Haven, FL 33880

Dear Principal Williams,

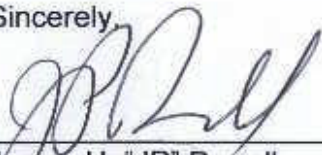

CONGRATULATIONS! The City of Winter Haven would like to take this opportunity to congratulate the Winter Haven High School Administration, Faculty, staff and most importantly, the students for achieving a B letter grade this past academic year.

The real key to success is hard work and dedication. Even with the commotion of students being in portables during construction on campus, the end result of the school achieving a B rating is phenomenal. We, as an organization know that education is the great equalizer and your student's achievement will help to make positive contributions to our community.

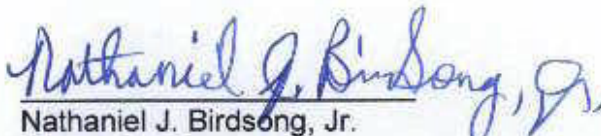

We applaud your efforts because you set your sights high and made every effort to achieve that goal and we wish you, your staff and the students a successful year.

Again CONGRATULATIONS!

Sincerely,

James H. "JP" Powell
