Technical Services Division

September 8, 2010

Addendum No. 1

ITB-10-64

Lake Maude Nature Park Pavilion

The City of Winter Haven will accept the use of a “pre-fabricated/pre-engineered” pavilion such as those provided by Taylor Supply LLC, Davenport Florida, or City of Winter Haven approved equal, provided that said pavilion meets the intent of the original bid documents.

Please note that dimensions, style, and colors shall meet the specifications provided in the original bid documents. Structural support posts for pre-fabricated pavilion shall be placed in 8”x8”x16” CMU and painted to match the existing pavilion onsite. CMU may be modified slightly as required and approved by City of Winter Haven Engineering.
