Addendum 2

ITB-11-90

The Invitation to bid, ITB-11-90 City of Winter Haven Two Year –Contract-Sanitary Sewer Manhole and Lift Station Rehabilitation, is hereby changed by the following:

- 1) Items #69-91 and Item #423 have been deleted from the Proposal and Bid Form. **ITB-11-90 Proposal and Bid Form Addendum Two has been posted on the website.**
- 2) For approval of a product as alternate / equal, complete product data information must be submitted with bid package.
- 3) This is an ongoing project budgeted in a 5 year capital improvement plan at \$100,00 per year. There are 50 manholes and 5 lift stations identified for this fiscal year.
- 4) No previous contract has been awarded by the City for manhole rehabilitation.
- 5) To clarify “existing coatings” no manufactured coatings have been applied to any manholes scheduled for rehabilitation.
- 6) The proposer must submit with bid form a list of at least Five (5) references and documentation of at least Five (5) years experience in performing a project of this scope and size.

All other terms and conditions remain the same.

Sincerely,

CITY OF WINTER HAVEN

Bob Bishop
