Specifications

**Description:**

The City is accepting quotations from bidders to purchase one (1) SAFEKEEPER General Purpose 5 foot (60") Duplex Evidence Drying Cabinet Model # FDC-008D. **No Substitutions.**

The drying cabinet is designed to store, dry or otherwise process evidence in a controlled environment of a tamper resistant compartment and to protect persons from odors and particulates generated by drying and decay of organic matter contained in evidence. Cabinet must meet or exceed OSHA or ANSI (American National Standards Institute) requirements. All prices quoted should include shipping to the police department (shipping address below).

Winter Haven Police Department  
125 North Lake Silver Drive NW  
Winter Haven, FL 33881
