**BACKGROUND**

The 2010 Florence Villa CRA Budget provides for a sidewalk/walking trail along Avenue O, from Unity Way, eastward to Seventh Street NE. This will provide linkage for the Chain of Lakes Trail to the Lake Maude Nature Park. This project was designed and permitted in-house by the Technical Services Division.

A pre-bid meeting was held June 22. The bids opened July 8 and construction will be scheduled accordingly based on the bids received.

Also, other needed sidewalks will be addressed within the Q Block area bordered by Avenue T NW on the north, First Street on the east, Avenue O NE on the south and Unity Way on the west. Once needs are determined, this will be brought back to you for input and approval.
