shares of Grande Jake's and had legally changed the business and corporate name to Grande
Letty's. She is requesting a liquor license be issued under the new name. Trustee Pierce
questioned how we can verify the purchase. Attorney Long informed the board he had been in
contact with Letty Rodriguez's attorney, had seen the contract and confirmed the purchase. Attorney
Long explained how Letty's attorney was not familiar with our new ordinance causing the delay. He
asked if the board would like to review the ordinance for future business, corporate name changes.
All Trustees agreed this case was an exception to the role and to keep the current ordinance.
All Trustees agreed to add this topic to the next Village Board of Trustees meeting agenda.

Administrator Keim explained to the board how the Safety Committee has been working on a
manual with policies and procedures to ensure employees safety. Safety Committee Chairman
Shannon explained OSHA and State regulations were included in the manual. He also informed
the board he has been working closely with each department and will continue to work with them on
updates as needed. Upon board approval, training sessions will be coordinated and scheduled.
Safety Committee Chairman Shannon also indicated staff will be required to sign off on an employee acknowledgement of the safety manual.

All Trustees agreed to add this topic to the next Village Board of Trustees meeting agenda.

3. Rescue Squad Billing Agreement.

Chief Nixon reviewed the billing and collection of service fees contract from Paramedic Billing Services, Inc. He explained the contract was a three year contact with a resolvable 90 day notice. The company will charge a 5% fee of accounts collected. Chief Nixon indicated other companies charge anywhere from 5% - 9%. He recommends moving forward with Paramedic Billing Services, Inc. Trustees questioned charges, collections, policy changes, and what type of control the Fire Department and Village Board would have overall. Chief Nixon explained we have full control over all billing issues. This company would be working for us and would be following our guidelines.

All Trustees agreed to add this topic to the next Village Board of Trustees meeting agenda.

Administrator Keim explained how he had been looking into other communities and would like board to give direction on what similarities they feel would be compatible comparisons. Assistant Administrator McCarthy followed guidelines for each comp study researched giving her numerous options for comparisons. She asked the board what they felt would be key factors in narrowing her findings. Trustee Poulos asked that we focus on value of person not property and population. Trustee Dominiak asked that we use the communities within the greater Chicago area and even going as far as Racine County, Wisconsin. Trustee Crosby would like to know in the communities we are comparing is at a defect or balanced budget. Trustee Johnson would like to review MSA and surrounding area.

All Trustees agreed to have more research done at this time and presented at the next Committee of the Whole meeting.
