

Notice is hereby given that Colerain Township, Ross Township, and Springfield Township Board of Trustees will accept sealed bids for residential solid waste and curbside recycling collection, disposal, and processing. Sealed bids are due by 11:00 a.m., Friday, May 15, 2015 at the Colerain Township Administration Building, 4200 Springdale Road, Colerain Township, OH 45251. Bids will be opened at 11:15 a.m. on that same day and at the same location. Sealed bids are for the provision of residential solid waste collection and disposal, collection and processing of residential recyclables from all single-family and multi-family dwellings of four or less units located in Colerain, Ross, and Springfield Townships, as more clearly specified in the bid documents. The Townships intend for collection and processing services to begin April 1, 2016 and continue for a term of five years.

Bids must be submitted upon forms provided by the Townships and must be sealed with proper identification of subject bid on the outside of the envelope. All bids must be accompanied by a certified check or bid bond in the amount of ten percent (10%) of the Bid. Performance Bond will be set at fifty percent (50%) as further specified in the bid documents. Faxed bids or electronically submitted bids will not be accepted. Bidders should submit one original and three copies of the entire package in the order in which it is originally organized with the appropriate, completed information and signatures.

A mandatory pre-bid meeting will be held at 10:00 a.m. on Thursday, April 23, 2015 in the Colerain Township Administration Building, 4200 Springdale Road, Colerain Township, OH 45251.

The public notice and bid documents can be viewed on the Townships websites: www.colerain.org; www.rosstwp.org; www.springfieldtwp.org
