

RESOLUTION No. 61-10

Hamilton ..... County, Ohio

Be It Resolved by the Township Trustees of..... Colerain ..... Township, that

Whereas the Colerain Township Fire Department has maintained a Chaplains program for over thirty years to serve the department and Colerain Township at large, and

Whereas the Fire Department is assisting in the sponsorship of the Federation of Fire Chaplains annual conference in the Cincinnati area beginning October 18<sup>th</sup> and,

Whereas a chaplain is described as one who takes off his coat to give to someone else. They are described as one who sets up camp around those who are suffering. A chaplain serves in an environment that at times can be unfriendly, hostile, dangerous and uncharted, and

Whereas a chaplain never looks to glorify themselves, but tries to meet the needs of those they serve always seeking the good in all man kind. A chaplain has the task of bringing peace to storms and raging seas in the lives of others, and to encourage others and to look beyond the forest to see the trees, and in the death of loved ones, a chaplain is there to remind us that God still cares and loves us.

Now, therefore be it resolved that the Board of Colerain Township Trustees, in the state of Ohio declare October 18 thru 22, 2010

Federation of Fire Chaplains Week in Colerain Township
