Ohio Revised Code Section 505.87 provides that, if the Board of Trustees determines within twelve consecutive months after a prior nuisance determination that the same owner's maintenance of vegetation, garbage refuse, or other debris on the same land in the township constitutes a nuisance, at least four days prior to providing for the abatement, control or removal of the nuisance, the Board must send notice of the subsequent nuisance determination to the landowner and to any lienholders of record by first class mail; and

That this Board hereby orders the owners of said property to remove and abate the nuisances within seven days after notice of this order is given to the owners and lienholders of record and within four days after notice of this order is given to the owners and lienholders of record for properties previously determined to be a nuisance. If said nuisances are not removed and abated by the said owners, or if no agreement for removal and abatement is reached between the Township and the owners and lienholders of record within four or seven days after notice is given, the Zoning Inspector shall cause the nuisances to be removed, and the Township shall notify the County Auditor to assess such cost plus administrative expense to the property tax bills for the said parcel, as provided in Ohio Revised Code Section 505.87;
3. That it is hereby found and determined that all formal actions of this Board concerning and relating to the passage of this Resolution were taken in an open meeting of this Board, and that all deliberations of this Board and any of its committees that resulted in such formal action were taken in meetings open to the public, in compliance with all legal requirements including §121.22 of the Ohio Revised Code; and
