Re: **Grant Award – Firehouse Subs Public Safety Foundation**

The **Colerain Township Department of Fire and EMS** is proud to announce that they are the recipients of a grant awarded by the Firehouse Subs Public Safety Foundation for the purchase of a fire extinguisher training simulator. The Foundation is planning a public award ceremony to be conducted at the Colerain Firehouse Subs location at **3659 Stone Creek Blvd on Wednesday, April 10 at 10:30am**. Representatives from the Foundation and the Colerain Fire Department will be on hand to demonstrate the equipment.

The fire extinguisher training simulator is valued at over \$7000.00 and provides live-fire demonstration and the proper way to utilize fire extinguishers. The simulator will be an invaluable resource as the CTFD continues to provide educational opportunities to local students and businesses in the proper utilization of these life saving devices. More information on the BulEx simulator can be found here: <http://bullex.com/product/intelligent-training-system-publiceducation/>

In 2005, Firehouse Subs established its non-profit, Firehouse Subs Public Safety Foundation, with the goal to provide funding, life-saving equipment, disaster assistance and educational opportunities for first responders and public safety organizations. More information on the Foundation can be found here: <http://www.firehousesubs.com/Foundation-Overview.aspx>

All public and media representatives are invited to attend the presentation and demonstration.

Any questions regarding this release may be directed to Captain Steve Conn at 513-615-8698 or sconn@coleraintwp.org.
