Press Release

Halloween Trick or Treat Update

Halloween Date and Time

Colerain Township, Ohio, October 30, 2013.....Halloween in Colerain Township will officially be 6 to 8 p.m. Thursday, October 31, regardless of weather. It would not be possible for Colerain Township Trustee's to notify the entire community at this time of a date change.

Please be aware there is the potential of severe weather in the forecast for the evening of Halloween including the potential for severe thunderstorms and high winds. We ask that motorists use caution when driving on Halloween, especially with rain and wind in the forecast. Little ghosts and goblins are quick and don't always remember to look both ways before running into the street.

While the Township Trustee's establish a day and time for Halloween, neighborhood groups or homeowners associations, may, and some do, select a different time and/or day for trick or treat activities in their neighborhood due to safety and / or convenience. If the "Trick or Treat" festivities are rescheduled we ask that for safety they are performed on Friday evening from 6pm to 8pm for uniformity in the residential areas.

Please monitor local media outlets for severe weather in the area. Trick or Treaters should seek shelter in the event of lightening or thunder, waiting 30 minutes before resuming outdoor Halloween activities.

Northgate Mall is hosting an indoor "Trick or Treat" event and a costume contest at the Mall from 4 pm to 7 pm on October 31st. Stores participating in the "Trick or Treat" event will be identified by balloons hanging outside of each store. Families participating are encouraged to meet in the Mall's center court. The Mall address is 9501 Colerain Avenue and their contact number is 513-385-7065.

October 30, 3:00 pm
