

NATIONAL FALLEN FIREFIGHTERS FOUNDATION

Greater Cincinnati Regional Golf Outing

May 28, 2014

The Greater Cincinnati Regional Golf Outing benefitting the National Fallen Firefighter's Foundation is fast approaching. Golfers from all over the Greater Cincinnati area will converge on the Rising Star Casino and Resort Links Course on Friday June 13, 2014 for what has become the premiere fundraising golf outing in the region. The organizers of this event would like to extend an invitation to all area golfers to sign-up and participate in the **ONLY** area golf outing solely dedicated to providing resources to the family of those brave firefighters lost in the line of duty. This year marks the 6th year of our regional participation and to date, our generous golfers have raised over **\$52,000** for this worthy organization.

The National Fallen Firefighters Foundation was created by the United States Congress to lead a nationwide effort to remember America's fallen firefighters. Since 1992, the nonprofit foundation has developed and expanded programs to honor fallen fire heroes and assist their families and coworkers. The Foundation is a 501(c) 3 nonprofit organization, located in Emmitsburg, Maryland. It is registered as a corporation in the State of Maryland. The Foundation receives funding through private donations from caring individuals, organizations, corporations, and foundations. For more information log on to www.firehero.org.

Donations, golfers and sponsors are encouraged to sign up and enjoy a day full of fun, golf and entertainment in the Casino. Hotel rooms at the resort are blocked for golfers at a special rate. Two flights of golfers (morning and afternoon) are scheduled. The morning flight is currently FULL but spots remain open for the afternoon flight.
