Gas main replacement requires U.S. 27 lane closures

Hamilton County (*Thursday, June 11, 2015*) – Gas main replacement will require lanes closures on U.S. 27 (Colerain Avenue) beginning Sunday, June 14.

Beginning at 9 p.m., two northbound lanes of U.S. 27 at Springdale Road will be closed until 6 a.m. the following day. These lane closures will be in effect for two weeks, Sunday through Thursday, and traffic will be maintained.

Arrow boards and/or signs will be in place to alert motorists of the upcoming lane closures.

To help ensure the safety of the construction workers as well as the traveling public, motorists should remain alert, reduce their speed and watch for stopped traffic while passing through the work zone.
