

Dearborn 19th District Court Veteran Treatment Court Kick-Off Event

VA | U.S. Department
of Veterans Affairs

Veteran Treatment Courts are hybrid courts that incorporate elements of drug and mental health specialty courts for the purpose of helping justice-involved veterans resolve underlying issues that may have contributed to their arrest. The model provides veterans with treatment and support services as an alternative to incarceration for some non-violent offenses.

Through the court's guidance, community support, and peer to peer mentorship, Veteran Treatment Courts are making a difference across the country.

Join us as we establish this court in our community!
