May 9, 2013

Mr. Gary Hammon
City of Decatur

Re: Old Bank Building Kitchen

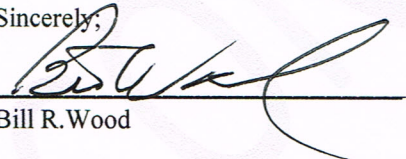

Dear Gary;

Per your request, we are quoting labor, materials, and equipment to secure the above referenced building from further weather related deterioration. We propose to make the following improvements:

1. Remove the existing wood shake shingles and lathe from the roofs of the main kitchen building and porch area and replace with 26 gage galvalume metal ribbed roof panels over 5/8" plywood decking. Roof panels shall be "barn type" period metal. Provide flashing as required
2. Remove and replace deteriorated primary and secondary wood framing. Framing shall be milled to match the existing style.
3. Prime and paint all new exposed wood.
4. Provide a handicapped accessible door into the existing restroom.

The above work to be completed for the lump sum price of **\$28,630.00**

Sincerely;

Bill R. Wood
