COA Hearings, Courtesy reviews and Public Forum

1. Approval of October, 2013 meeting minutes
2. Action based on decisions made with regard to the Church/Wilson/Sixth intersections (if there is any that the HPC wishes to take).
3. COA Request: (None) It was reported to you previously that a COA has been filed which may, because of its unusual nature, be handled by the Chairman of the HPC without requiring full HPC consideration. It addresses primarily interior work and minor exterior repairs. This COA has been determined to have been filed after the submission deadline for consideration at the November meeting, therefore will be addressed at the December meeting.
4. Other old or new business

5. Comments by the public, HPC members and/or others
6. Adjournment
