City of Decatur to Host Public Input Session for Upper River Road & Old River Road Project

DECATUR, AL – The City of Decatur’s Engineering Department, in partnership with Garver Engineering, will host a public input meeting for residents regarding the Upper River Road and Old River Road project on Wednesday, August 10, from 5:00 p.m. – 6:00 p.m., at Turner-Surles Community Center.

The input session will be a come-and-go event for attendees to share their thoughts on the corridor project. Feedback will be discussed in a small group setting with a project liaison.

Representatives of the City of Decatur and Garver Engineering will be available to answer any questions.

For more information, please contact the City of Decatur’s Engineering Department at (256) 341-4875.
