

Employment Opportunity
Town of Lake Lure
Parks and Recreation Maintenance Tech II

The Town of Lake Lure is seeking qualified applicants for a Parks and Recreation Maintenance Tech II. This position is responsible for planning and performing grounds maintenance in the Town's parks, recreation facilities, and in and around the Lake. Work includes project planning, equipment maintenance, projecting annual landscaping and equipment budget needs, and inspecting grounds keeping work in progress and upon completion. This position determines materials, personnel, and equipment needed to complete projects; obtains purchase orders and secures quotes for materials and supplies; coordinates and oversees the general maintenance and the operation of department vehicles, grounds equipment and construction equipment; and instructs others in appropriate job related safety procedures and policies. The ideal candidate will be able to work independently with minimum supervision. Work is performed under the supervision of the Parks, Recreation, and Trails Coordinator.

Employment requirements include a high school diploma or equivalent, two (2) to three (3) years of relevant work experience, and a valid North Carolina driver's license. A North Carolina Pesticide Application License is preferred. This position is non-exempt. Salary range is \$35,066 to \$52,599.

To apply, please submit an application and resume to Town of Lake Lure, P.O. Box 255, Lake Lure, NC 28746 or email application to awright@townoflakelure.com. Application form is on our website, www.townoflakelure.com. Applications will be accepted through June 1, 2021.

The Town of Lake Lure is an Equal Opportunity Employer and considers applicants for all positions without regard to race, color, religion, creed, gender, national origin, age, disability, marital or veteran status, sexual orientation, or any other legally protected status.
