Postponed to Summer of 2021

We hope this message finds you well and staying safe. Thank you to all the supporters of the Lake Lure Music Festival. We are grateful for all who have bought tickets and for those businesses and members of the community that have become sponsors for the 2020 Festival.

Because of the unprecedented challenges facing our communities, we have decided to postpone our 2020 Festival to the summer of 2021. We feel this is in the best interests of our community, our dedicated committee members who have been working so hard to produce the festival and the artists who have graciously offered their talents and time to work with us. It is our plan to produce this year's musical program for 2021 and engage the artists who were scheduled for this year. We will continue to update you here and on our website: <https://lakeluremusicfest.com> and our Facebook Page at the following address: <https://www.facebook.com/lakeluremusicfestival/>.

In addition to producing great music and bringing renowned musicians to the area, it is also our mission to support organizations performing vital work in our community. Despite our postponement the Festival will be donating \$1000 to the Lake Lure Classical Academy and \$500 to the Hickory Nut Gorge Outreach. Their essential work is making a difference to so many lives in the greater Hickory Nut Gorge and we encourage you to support their mission.

At this time we would also like to introduce the Lake Lure Music Festival Virtual Concert Series. In our efforts to provide you world class entertainment from our distinguished artists, we are posting free online performances periodically for your enjoyment on our Facebook site and other platforms. The generosity of the artistic community is significant and upon reaching out to our 2020 artists, they immediately offered us this unique opportunity to showcase their talents and support what the LLMF brings to Western North Carolina. We will be sharing more music with you soon and hope it lifts your spirits and touches your hearts.

To our ticket buyers and sponsors we will be reaching out to you to offer you options for the LLMF 2021. Thank you for patience and your continued support.

We are in this together and wish all of you and your family's health and happiness during these extraordinary times.
