To the best of my knowledge the above information is true. I also understand that Lake Lure is regulated by North Carolina's Boating Safety Act of 1958, as well as the Town of Lake Lure's Lake Regulations and Local Regulations Governing Operations of Vessels on Lake Lure adopted by the North Carolina Wildlife Resources Commission. I acknowledge that I have received a copy of these regulations and that I will become familiar with and abide by same. I agree to inform any other operators of this boat of these regulations.
