The following items MUST be included. (Incomplete applications will be denied):

1. A survey or other plan view drawn to scale showing the location of the mobile food vendor in relation to property lines, structures on the property, adjacent rights-of-way, fire hydrants, other food vendors, etc.
2. Proof of compliance with all applicable health regulations.
3. Application fee.

Permit Conditions:

- The mobile food vendor is a licensed motor vehicle or mobile food unit which offers for sale and consumption food and beverage (excluding alcohol)
- Mobile food vendors are limited to the permitted location within the Town Sanctioned Event area.
- Hours of operation for mobile food vendors shall be limited to the operating hours as established per the special event.
- Mobile food vendors must provide confirmation of compliance with all applicable health regulations.
- No waste, grease, or wastewater shall be released into the Town's sanitary sewer or stormwater collection systems, ditches, tree wells, or other public spaces. Grease must be contained on site, protected from spillage and taken away by the vendor at the end of the event, or as deemed necessary by the Fire Marshal or Health Department.
- Mobile food vendors shall be situated at least ten feet from all property lines and any road right-of-way, shall not encroach onto any street, sidewalk, or travel way, and shall not obstruct any loading zone or handicapped parking space. This requirement shall not apply to special events approved by the Town for placement upon public streets.
- Mobile food vendors shall be situated at least 20 feet from one another.
- Mobile food vendors must be a minimum of 25 feet from any permanent structures. The administrator may, upon recommendation of the Fire Marshal, approve the placement of mobile food vendors within 25 feet or less of a permanent structure. Such approval shall be based upon building type, building materials, existing fire breaks, and other pertinent information. Such reductions shall be reviewed on a case-by-case basis, at the discretion of the Fire Marshal and the Administrator.
- Mobile food vendors must be set back a minimum of ten feet in all directions from fire hydrants.
- Power: Outside of the Lake Lure Town Center, generators may be used to power the vending unit. Only dedicated power supplies shall be used within the Lake Lure Town Center. (subject to fees)
 - For dedicated power supplies the applicant must present documentation that power load supplied to the vehicle is sufficient to meet the vehicles needs while in operation (30 amp/50 amp, etc.).

- Vendors are subject to the requirements of the Town of Lake Lure Noise Ordinance (Chapter 84A, Noise Ordinance), North Carolina Health Code, and North Carolina Building Code.
- Each food truck shall supply at least one waste receptacle which must be removed and emptied at the end of each day. Town trash receptacles shall not be used for food truck waste.
- Mobile food vendors shall be limited to one small A-frame sign not to exceed four feet in height and eight square feet of surface area. Sign shall be placed within five feet of the vehicle or trailer to display daily specials, menus, or other similar information.

I hereby swear (affirm) that this application for a TEMPORARY MOBILE FOOD VENDOR PERMIT, along with all supporting documentation, is accurate and correct to the best of my understanding and knowledge , and I agree to comply with all requirements of the Town of Lake Lure Zoning Ordinance.
